

# MARK YOUR CALENDAR

Salt Creek Levee System Open House  
Thursday, November 16, 2017  
4:30 - 6:30 p.m.

Lower Platte South NRD Office  
3125 Portia Street  
Lincoln, NE 68521

Flood risks in areas along Salt Creek in Lincoln are reduced by a system of levees, upstream dams, and various channel improvements.

Join us to learn more about Salt Creek's flood risks in Lincoln and the recent levee planning efforts that the Lower Platte South NRD is working to implement.
